

## **8.23—FAMILY MEDICAL LEAVE**

The Family and Medical Leave Act (FMLA) leave offers job protection for what might otherwise be considered excessive absences. Employees need to carefully comply with this policy to ensure they do not lose FMLA protection due to inaction or failure to provide the District with needed information. The FMLA provides up to 12 work weeks (or in some cases 26 weeks) of job-protected leave to eligible employees with absences that qualify under the FMLA. While an employee can request FMLA leave and has a duty to inform the District as provided in this policy of foreseeable absences that may qualify for FMLA leave, it is the District's ultimate responsibility to identify qualifying absences as FMLA or non-FMLA. FMLA leave is unpaid, except to the extent that paid leave applies to any given absence as governed by the FMLA and this policy.

### **SECTION ONE**

#### **Definitions:**

“Eligible Employee” is an employee who has been employed by the District for at least twelve (12) months and for 1250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

“FMLA” is the Family and Medical Leave Act

“Health Care Provider” is a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the state in which the doctor practices. It also includes any other person determined by the U.S. Secretary of Labor to be capable of providing health care services.

“Instructional Employee” is an employee whose principal function is to teach and instruct students in a class, a small group, or an individual setting and includes athletic coaches, driving instructors, preschool teachers, and special education assistants such as signers for the hearing impaired. The term does not include, and the special rules related to the taking of leave near the end of a semester do not apply to, teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include administrators, counselors, librarians, psychologists, or curriculum specialists.

“Intermittent leave” is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced leave schedule is a leave schedule that reduces an employee's usual number of working hours per workweek, or hours per workday. A reduced leave schedule is a change in the employee's schedule for a period of time, normally from full-time to part-time.

“Next of Kin”, used in respect to an individual, means the nearest blood relative of that individual.

“Parent” is the biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or a daughter. This term does not include parents “in-law.”

“Serious Health Condition” is an injury, illness, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider.

“Son or daughter”, for numbers 1, 2, or 3 below, is a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and “incapable of self-care because of a mental or physical disability” at the time that FMLA leave is to commence.

“Year” the twelve (12) month period measured backward from the date an employee uses any FMLA leave.

### **Policy**

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family and Medical Leave Act of 1993, as amended, shall govern.

### **Leave Eligibility**

The District will grant up to twelve (12) weeks of leave in a year in accordance with the FMLA, as amended, to its eligible employees for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. (See Section Two)
6. To care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury. (See Section Two)

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

A husband and wife who are both eligible employees employed by the District may not take more than a combined total of 12 weeks of FMLA leave for reasons 1, 2, 3 and 5.

## **Provisions Applicable to both Sections One and Two**

### **District Notice to Employees**

The District shall post, in conspicuous places in each school within the District where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor.

### **Designation Notice to Employee**

When an employee requests FMLA leave or the District determines that an employee's absence may be covered under the FMLA, the District shall provide written notice within five (5) business days (absent extenuating circumstances) to the employee of the District's determination of his/her eligibility for FMLA leave. If the employee is eligible, the District may request additional information from the employee and/or certification from a health care provider to help make the applicability determination. After receiving sufficient information as requested, the District shall provide a written notice within five (5) business days (absent extenuating circumstances) to the employee of whether the leave qualifies as FMLA leave and will be so designated.

If the circumstances for the leave don't change, the District is only required to notify the employee once of the determination regarding the designation of FMLA leave within any applicable twelve (12) month period.

### **Concurrent Leave Under the FMLA**

All FMLA leave is unpaid unless substituted by applicable accrued leave. The District requires employees to substitute any applicable accrued leave (in the order of sick, personal, or vacation leave as may be applicable) for any period of FMLA leave.

### **Working at another Job while Taking FMLA for Personal or Family Serious Medical Condition**

No employee on FMLA leave for their own serious medical condition may perform work at another, non-district job while on FMLA leave. Except as provided in policy 8.36, employees who do perform work at another, non-district job while on FMLA leave for their own serious medical condition will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

No employee on FMLA leave for the serious medical condition of a family member may perform work at another, non-district job while on FMLA leave. Employees who do perform work at another, non-district job while on FMLA leave for the serious medical condition of a family member will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

### **Health Insurance Coverage**

The District shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the District. Additionally, if the District makes a change to its health insurance benefits or plans that apply to other employees, the employee on FMLA leave must be afforded the opportunity to access additional benefits and/or the same responsibility for changes to premiums. Any changes made to a group health plan which apply to other District employees, must also apply to the employee on FMLA leave. The District will notify the employee on FMLA leave of any opportunities to change plans or benefits. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the district's business office on or before it would be made by payroll deduction.

The District has the right to pay an employee's unpaid insurance premiums during the employee's unpaid FMLA leave to maintain the employee's coverage during his/her leave. The District may recover the employee's share of any premium payments missed by the employee for any FMLA leave period during which the District maintains health coverage for the employee by paying the his/her share. Such recovery shall be made by offsetting the employee's debt through payroll deductions or by other means against any monies owed the employee by the District.

An employee who chooses to not continue group health plan coverage while on FMLA leave, is entitled to be reinstated on the same terms as prior to taking the leave, including family or dependent coverages, without any qualifying period, physical examination, exclusion of pre-existing conditions, etc.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave, the District's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the District may recover the premiums it paid to maintain health care coverage unless:

1. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
2. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

### **Reporting Requirements During Leave**

Unless circumstances exist beyond the employee's control, the employee shall inform the district every two weeks during FMLA leave of their current status and intent to return to work.

### **Return to Previous Position**

An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority. The employee's right to return to work and/or to the same or an equivalent position does not supersede any actions taken by the District, such as conducting a RIF, which the employee would have been subject to had the employee not been on FMLA leave at the time of the District's actions.

### **Provisions Applicable to Section One**

#### **Employee Notice to District**

##### **Foreseeable Leave:**

When the need for leave is foreseeable for reasons 1 through 4 listed above, the employee shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may delay the FMLA coverage of such leave until 30 days after the date the employee provides notice.

If there is a lack of knowledge of approximately when the leave will be required to begin, a change in circumstances, or an emergency, notice must be given as soon as practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the need for leave is for reasons 3 or 4 listed above, the eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the District subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

If the need for FMLA leave is foreseeable less than 30 days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for the number of days in advance that the employee should have provided notice and when the employee actually gave notice.

##### **Unforeseeable Leave:**

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case.

Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as required, unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

## **Medical Certification**

Second and Third Opinions: In any case where the District has reason to doubt the validity of the initial certification provided, the District may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the District may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the District and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the District and the employee.

Recertification: The District may request, either orally or in writing, the employee obtain a recertification in connection with the employee's absence, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply;

- a. The original certification is for a period greater than 30 days. In this situation, the District may require a recertification after the time of the original certification expires, but in any case, the District may require a recertification every six (6) months.
- b. The employee requests an extension of leave;
- c. Circumstances described by the previous certification have changed significantly; and/or
- d. The district receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in fifteen (15) calendar days after the District's request.

No second or third opinion on recertification may be required.

The District may deny FMLA leave if an eligible employee fails to provide requested certification.

## **Substitution of Paid Leave**

When an employee's leave has been designated as FMLA leave for reasons 1 (as applicable), 2, 3, or 4 above, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.

To the extent the employee has accrued paid vacation or personal leave, any leave taken that qualifies for FMLA leave for reasons 1 or 2 above shall be paid leave and charged against the employee's accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. To the extent that workers compensation benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to

100% of usual contracted daily rate of pay. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a “light duty job,” but is unable to return to the employee’s same or equivalent job, the employee may decline the District’s offer of a “light duty job.” As a result, the employee may lose his/her workers’ compensation payments, but for the duration of the employee’s FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

### **Return to Work**

If the District’s written designation determination that the eligible employee’s leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a “fitness-for-duty” certification from a health care provider for the employee to resume work, the employee must provide such certification prior to returning to work. The employee’s failure to do so voids the District’s obligation to reinstate the employee under the FMLA and the employee shall be terminated.

If the District’s written designation determination that the eligible employee’s leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a “fitness-for-duty” certification from a health care provider for the employee to resume work **and** the designation determination listed the employee’s essential job functions, the employee must provide certification that the employee is able to perform those functions prior to returning to work. The employee’s failure to do so or his/her inability to perform his/her job’s essential functions voids the District’s obligation to reinstate the employee under the FMLA and the employee shall be terminated.

### **Failure to Return to Work:**

In the event that an employee is unable or fails to return to work within FMLA's leave timelines, the superintendent will make a determination at that time regarding the documented need for a severance of the employee’s contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

### **Intermittent or Reduced Schedule Leave**

To the extent practicable, employees requesting intermittent or reduced schedule leave shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may only take intermittent or reduced schedule leave for reasons 1 and 2 listed above if the District agrees to permit such leave upon request of the employee. If the District agrees to permit an employee to take intermittent or reduced schedule leave for such reasons, the agreement shall be consistent with this policy’s requirements governing intermittent or reduced schedule leave. The employee may be transferred temporarily during the period of scheduled intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties.

Eligible employees may take intermittent or reduced schedule FMLA leave due to reasons 3 or 4 listed above when the medical need is best accommodated by such a schedule. The eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule for reasons 3 or 4 above that is foreseeable based on planned medical treatment, the District may temporarily transfer eligible employees for the period of scheduled intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. The employee will not be required to take more FMLA leave than necessary to address the circumstances requiring the need for the leave.

### **Special Provisions relating to Instructional Employees as Defined in This Policy**

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and whose FMLA leave falls under Act's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.

## **SECTION TWO**

### **FMLA LEAVE CONNECTED TO MILITARY SERVICE**

#### **Leave Eligibility**

The FMLA provision of military associated leave is in two categories. Each one has some of its own definitions and stipulations. Therefore, they are dealt with separately in this Section of the policy. Definitions different than those in Section One are included under the respective reason for leave. Definitions that are the same as in Section One are NOT repeated in this Section.

### **QUALIFYING EXIGENCY**

An eligible employee may take FMLA leave for any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. Examples include issues involved with short-notice deployment, military events and related activities, childcare and school activities, the need for financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, and other activities as defined by federal regulations.

#### **Definitions:**

“Covered active duty” means:

- in the case of a member of a **regular** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country; and
- in the case of a member of a **reserve** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country under a call to order to active duty under a provision of law referred to in section 101(a)(13)(B) of title 10, United States Code.

“Son or daughter on active duty or call to active duty status” means the employee's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the employee stood in loco parentis, who is on active duty or call to active duty status, and who is of any age.

### **Certification**

The District may require the eligible employee to obtain certification to help the district determine if the requested leave qualifies for FMLA leave for the purposes of a qualifying exigency. The District may deny FMLA leave if an eligible employee fails to provide requested certification.

### **Employee Notice to District**

#### **Foreseeable Leave:**

When the necessity for leave for any qualifying exigency is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the District as is reasonable and practicable regardless of how far in advance the leave is foreseeable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

#### **Unforeseeable Leave:**

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as required unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

### **Substitution of Paid Leave**

When an employee's leave has been designated as FMLA leave any qualifying exigency, the District requires employees to substitute accrued vacation, or personal leave for the period of FMLA leave.

### **Intermittent or Reduced Schedule Leave**

Eligible employees may take intermittent or reduced schedule leave for any qualifying exigency. The employee shall provide the district with as much notice as is practicable.

## **Special Provisions relating to Instructional Employees as Defined in This Policy**

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and who's FMLA leave falls under Act's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.

### **SERIOUS ILLNESS**

An eligible employee is eligible for leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury under the following conditions and definitions.

#### **Definitions:**

“Covered Service Member” is:

1. a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
2. a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

“Outpatient Status”, used in respect to a covered service member, means the status of a member of the Armed Forces assigned to

- A) a military medical treatment facility as an outpatient; or
- B) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.

“Parent of a covered service member” is a covered service member’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered service member. This term does not include parents “in law.”

“Serious Injury or Illness”:

- (A) in the case of a member of the Armed Forces, including the National Guard or Reserves, it means an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member’s office, grade, rank, or rating and
- (B) in the case of a veteran who was a member of the Armed Forces, including a member of the National Guard or Reserves, at any time during a period as a covered service member defined in this policy, it means a qualifying (as defined by the U.S. Secretary of Labor) injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of

the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

"Son or daughter of a covered service member" means a covered service member's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered service member stood in loco parentis, and who is of any age.

"Year", for leave to care for the serious injury or illness of a covered service member, the twelve (12) month period begins on the first day the eligible employee takes FMLA leave to care for a covered service member and ends 12 months after that date.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a **covered service member** shall be entitled to a total of 26 weeks of leave during one 12-month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member continues to be limited for reasons 1 through 4 in Section One and for any qualifying exigency to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 4 in Section One and for any qualifying exigency. An eligible employee may not take more than 12 weeks of FMLA leave for reasons 1 through 4 in Section One and for any qualifying exigency regardless of how little leave the eligible employee may take to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury.

If husband and wife are both eligible employees employed by the District, the husband and wife are entitled to a combined total of 26 weeks of leave during one 12-month period to care for their spouse, son, daughter, parent, or next of kin who is a **covered service member** with a serious injury or illness as defined in this policy. A husband and wife who care for such a covered service member continues to be limited to a combined total of 12 weeks FMLA leave for reasons 1 through 3 in Section One and for any qualifying exigency during a year as defined in this policy. For example, a husband and wife who are both eligible employees and who care for such a covered service member for 16 weeks during a 12 month period could only take a combined total of 10 weeks for reasons 1 through 3 in Section One and for any qualifying exigency.

### **Medical Certification**

The District may require the eligible employee to obtain certification of the covered service member's serious health condition to help the District determine if the requested leave qualifies for FMLA leave. The District may deny FMLA leave if an eligible employee fails to provide requested certification.

### **Employee Notice to District**

#### **Foreseeable Leave:**

When the need for leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury is clearly foreseeable at least 30 days in advance, the employee shall provide the District with not less than 30 days' notice before the date the leave is to begin of the

employee's intention to take leave for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may delay the FMLA coverage of such leave until 30 days after the date the employee provides notice.

If the need for FMLA leave is foreseeable less than 30 days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for the length of time that the employee should have provided notice and when the employee actually gave notice.

When the need for leave is to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

#### Unforeseeable Leave:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as required unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

#### **Substitution of Paid Leave**

When an employee's leave has been designated as FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.

#### **Intermittent or Reduced Schedule Leave**

To the extent practicable, employees requesting intermittent or reduced schedule leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may take intermittent or reduced schedule FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury when the medical need is best accommodated by such a schedule. The eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury that is foreseeable based on planned medical treatment, the District may temporarily transfer eligible employees for the period of scheduled

intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began.

**Special Provisions relating to Instructional Employees (as defined in this policy)**

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and whose FMLA leave falls under Act's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.
