

## **7.17--EXPENSE REIMBURSEMENT**

Travel costs are those expenses related to transportation, lodging, subsistence and related items incurred by employees who are in a travel status on official business of the non-Federal entity. Such costs may be charged on an actual cost basis, on per diem or mileage basis in lieu of actual costs incurred or on a combination of the two.

The requirements of this policy shall govern reimbursement for expenses related to travel and/or attendance at conferences and professional development activities incurred by district employees and/or members of the Board of Directors on behalf of the district. Employees are only eligible for reimbursement for travel expenses for travel which has been approved in advance. Original receipts must accompany all requests for reimbursement to the extent that such receipts are customarily available. For a receipt to be valid it should contain the name of the issuing company, the date, and the amount. No cash advances shall be made for travel. Mileage, lodging, and meal expenses will not be reimbursed when incurred for the personal convenience of the employee and not required by the reason for the travel. Reimbursement for travel shall be for the lesser of the cost between travel by air or by car with some consideration allowed for length of time of the method of travel.

To the extent practicable, employees shall have the district pay initial conference and professional development registration fees, associated necessary materials and necessary overnight accommodations that are not lavish. In the occasional circumstances where this is not practical, the district shall reimburse the employee for such fees if they were authorized in advance and are supported with proper receipts.

The district will not reimburse expenses of any non-school board member or non-employee who accompanies the school board member or employee during his/her school related travel.

### **Reimbursable Expenses**

Mileage that is driven for a district sanctioned purpose in an employee's personal vehicle shall be reimbursed provided appropriate documentation is submitted establishing the date and time, place, and purpose of the travel. Mileage shall be reimbursed at the rate authorized by the District and shall be based on the shortest, most reasonable, route available.

Meals may be reimbursed for travel which necessitates an overnight stay when submitted according to the dictates of this policy. Reimbursement shall be prorated based on the percent of a day the employee is away on travel. For example, if an employee returns from his/her travel in the afternoon, he/she is only eligible for reimbursement for breakfast and lunch expenditures. Meals shall be reimbursed at the current per diem rate authorized by the IRS. Except as otherwise specified by this policy, meals are only reimbursable in conjunction with travel requiring an overnight stay.

Tips paid by a school employee for meals associated with travel as defined in this policy are reimbursable for up to 15% of the cost of the meal provided the employee submits a

receipt for the meal as part of an "accountable plan" for reimbursement. Tips are not allowed if an employee is reimbursed using a "per diem" plan.

Meal expenses incurred by the superintendent or other administrators as necessary, in the performance of their duties when meeting with state officials or consultants may be reimbursed on a prorated, per person basis in line with the mandates of this policy. Such expenses shall only be reimbursed when the expenditure is likely to result in a tangible benefit to the district.

### **Expenses not covered**

The district shall not reimburse the following items/categories of expenses.

- Alcoholic beverages;
- Entertainment expenses – including sports or sporting events; pay per view or game expenses at motels;
- Replacement due to loss or theft;
- Discretionary expenses for items such as clothing or gifts;
- Medical expenses incurred while on route to or from or at the destination of the reason for the travel; and
- Optional or supplementary insurance obtained by the employee for the period covered during the travel.

### **Credit Cards**

Only those employees specifically issued credit cards to be used in the performance of their jobs to purchase goods, services, or supplies on behalf of the district shall be allowed to use such cards. Employees who incur reimbursable expenses as defined in this policy are expected to pay for them initially by any means they choose and then submit their request for reimbursement. The district assumes no responsibility for the payment of any personal credit card charges incurred by a district employee.

### **Airport Associated Expenses**

Receipts for airport associated expenses are required for reimbursement. All airline flights shall be by coach/economy class. Upon arrival at their destination, employees are expected to take the less expensive option between a taxi and an airport shuttle service to his/her hotel or meeting site. When circumstances dictate that a rental car is necessary and/or the most economical approach to the travel requirements, the least expensive car that will accomplish the job should be rented. The district shall not reimburse for any kind of rental car supplemental insurance.
