King Elementary School Vision and Mission Statement

Vision

Every Child.... Whatever it takes!

Mission

At King Elementary School, we will be united to ensure every child is at or above grade level.

The following procedures have been written by the principal and a committee of teachers at King School. The purpose of these procedures is to provide an orderly learning environment with consistent expectations throughout the school day in every part of the campus. These procedures are taught to the students in the beginning of the school year and are reinforced with teachers throughout the year by all faculty and staff members.

Please refer to your Van Buren School District Student Policy Handbook for district-wide policies.

Attendance Policy

When a student is absent due to emergencies such as illness, death in the family and other extenuating circumstances, the parent or guardian of the student should contact the student's principal or designee and relate the facts causing the emergency. Parents may contact the school by writing a note, in person, or by other means deemed appropriate by the school principal. A written statement presented for an absence having occurred more than five (5) school days prior to its presentation will not be accepted. Students may have six (6) parent permission notes per semester. Any absence after six (6) without a doctor's note will be unexcused. Make-up work will be allowed for these absences and must be accomplished within a reasonable length of time as determined by individual teachers. Unexcused absences are all failures to attend school other than those specified above. Please refer to **District Policy 4.2.3**

Students will not be released between 2:45 and 3:00 pm.

Excessive Absences

Eleven (11) absences per semester will be considered excessive in elementary schools (K-5). It is at this point that school officials will notify the prosecuting attorney and juvenile court authorities as determined by the principal.

Notification to Parents of Student Absences

The student's parents or guardians will be notified by letter when the child has accumulated **five (5) days. A phone call will be made on the eighth (8) day absences per semester.**

Excessive Tardies and/or Early Checkouts

Six (6) morning tardies or early checkouts per semester will be considered excessive and will result in one day of absence from school.

Tardies are defined as students arriving between 8:00 a.m. –10:00 a.m.

Early Checkout will be defined as a student checking out of school between 1:00 p.m.—3:00 p.m.

Arriving/Dismissal

1. Students must arrive between **7:15-8:00 a.m.** for breakfast.
2. When a student arrives to school after the tardy bell rings at 8:00 a.m. the student must be walked into the **foyer/breezeway** and signed in by an adult.
3. Students line up for class when the 7:50 a.m. bell rings. Instruction begins at 8:00 am.
4. Students remain at school until dismissal at 3:00 p.m.
5. AM and PM tardies will be recorded in the office.
6. Students may leave school between 7:50 a.m. and 2:45 p.m. only with adults who are listed by the parent on the Emergency Form. The student must be signed out in the office and dismissed from the office.
7. A **valid ID** must be presented at the time of checkout.

Closed Campus

Students are not allowed to leave campus once they arrive at any time during the school day except when a parent/guardian arrives to sign them out or when written permission is given. Students are **not to be dropped off before 7:15 a.m.** as there is no adult supervision before this time.

Change of Address or Phone Number

This is of EXTREME IMPORTANCE: In case of serious illness or injury, we need at least two (2) phone numbers of parents or relatives. With our current laws, it would do little good for us to take a child to the hospital if we could not get a parent or guardian's approval for medication or treatment. Take care to see that all emergency phone numbers and addresses are correct.

Visitors

For deliveries or to check out a student, visitors will come into the **foyer/breezeway** and will communicate your needs with the King office staff using the intercom system.

Health Information

Students are expected to have on file a record of immunizations according to the state laws of Arkansas. The school's staff will care for any child who becomes ill or injured at school. If the child's condition is thought to be serious, the parents will be contacted and the child sent home. For a condition which may be contagious, students will be sent home until the child is no longer a danger to other students. Students should be free of fever for 24 hours before returning to school. In case of an emergency, the child will be taken to the hospital and the parents notified.

King students are not allowed to bring medicine to school. Students may be administered medications by office personnel while at school under the following policy:

- No over the counter drugs will be given at school.
- A parent must bring in prescription medication. Transportation of medicines on school buses is strictly prohibited.
- A parent must sign the consent form before any medications will be given.
- Medications must be in the original container with the child's name on the prescription.

- With the exception of ADD/ADHD medications, no medication which is prescribed for three times a day or less will be administered at school.

*For Covid-19 symptoms, we will have specific steps and procedures we will follow provided by the Arkansas Department of Health and the CDC.

Traffic Patterns and Procedures

Car Riders: Arrival – Upon arrival, all students enter the building through the designated doors. Car riders must be dropped off at the front of the school using the **right lane only**; **this is the only place on campus where cars can deliver students to school.** Students cannot be dropped off on Poplar Street or 20th street or in the parking area in front of the school.

Dismissal- For safety reasons, we require that you stay in your vehicle and stay in line to pick your child up. Please do not park in any parking lot, unless you forgot your car tag.

Departure – Parents stay in their automobiles and wait for their children to be called out by a duty teacher. **Student name tag(s)** should be hung in the car window. Once the student is called outside, the duty teacher will then escort the student to their vehicle. Traffic moves in a double column through the driveway.

Walkers – Walkers will cross at designated crossing zones under the direction of a duty teacher, when the child’s home address is within walking distance from the school. If an adult **walks** to the school to meet their student, they must present the duty teacher with the car tag of each student they are picking up. If a parent is unable to present a name tag for the student(s), they will be required to present their ID to the office before the student(s) will be released in their custody.

Bicycle Riders – Students who ride a bicycle are required to walk the bicycle when on any sidewalk or crosswalk, and while on school grounds. A rack is provided for bikes. These students will enter and exit the building through the designated door.

Bus Riders – In the morning, students will leave the bus and follow the directions of the duty teacher as they enter the building.

In the afternoon, students will wait in the cafeteria for their bus number to be called. Students will follow the directions of the duty teacher as they board the bus.

Assemblies

All visitors must present a valid ID before entering the building.

School Parties

In compliance with Arkansas law there will be no more than 9 scheduled events with Food of Minimal Nutritional Value (FMNV) each year. There will be scheduled class parties for elementary students. You will receive a notes or phone call from the teacher will be sent home giving specific details before each party. **Birthday parties are not allowed at school.** We are not allowed to release student home addresses or phone numbers. You may, if you wish, send invitations for birthday parties to school as long as everyone in the class is invited.

Non-Nutritional Days

The Arkansas Department of Education has passed rules governing nutrition standards in Arkansas Public Schools. These rules have an effect on what food item parents are allowed to send to school.

Please note the following rules, sign, and return the bottom portion indicating you have read and understand.

- Elementary students will not have access to vended (sold or given away) food and beverage items anytime, anywhere on school premises during the declared school day.
- This does not apply to students with special needs indicated in the student IEP or to school nurses providing health care to individual students.
- Students may be given any food and/or beverage items for up to nine (9) different school events each school year to be determined and approved by school officials.
- Nutritional foods may be used for instructional purposes. The school, as part of the planned instructional program, may also distribute nutritional snacks (kindergarten snacks for example).
- This does not restrict what parents may provide for their own child's lunch or snack.
- To meet state regulations (law), we must ask parents not to provide food/beverage items to other children at school for events such as birthday parties. Parents may provide food/beverage items upon request to support one of up to nine (9) allowable events such as Valentine's Day.

Días No Nutricionales

El Departamento de Educación de Arkansas ha aprobado reglas que rigen la nutrición y estándares en las Escuelas Públicas del Estado de Arkansas. Estas reglas tienen un efecto sobre los alimentos que los padres pueden enviar a la escuela.

Tenga en cuenta las siguientes reglas, firme y devuelva la parte inferior que indica que ha leído y comprendido.

- Los estudiantes de primaria no tendrán acceso a alimentos y bebidas vendidos (vendidos o regalados) en ningún momento ni en ningún lugar de las instalaciones de la escuela durante el día escolar declarado.
- Esto no se aplica a los estudiantes con necesidades especiales indicadas en el IEP (Plan Individual de Educación) del estudiante ni a las enfermeras escolares que brindan atención médica a estudiantes de manera individual.
- Los estudiantes pueden recibir cualquier alimento y / o bebidas hasta en nueve (9) eventos escolares diferentes cada año escolar que serán determinados y aprobados por los funcionarios escolares.
- Los alimentos nutricionales se pueden utilizar con fines educativos. La escuela, como parte del programa educativo planificado, también puede distribuir refrigerios nutritivos (refrigerios de jardín de infantes, por ejemplo).
- Esto no restringe lo que los padres pueden proporcionar para el almuerzo o merienda de su propio hijo (a).

- Para cumplir con las regulaciones estatales (ley), debemos pedir a los padres que no proporcionen alimentos / bebidas a otros niños en la escuela para eventos como fiestas de cumpleaños. Los padres pueden proporcionar alimentos / bebidas a petición para apoyar uno de los nueve (9) eventos permitidos por el distrito, por ejemplo el Día de San Valentín.

Bullying Policy

Bullying creates an atmosphere of fear and intimidation, robs a person of his/her dignity, detracts from the safe environment necessary to promote student learning, and will not be tolerated.

Students who bully another person shall be held accountable for their actions whether they occur on school equipment or property; off school property at a school sponsored or approved function, activity, or event; going to or from school or a school activity in a school vehicle or school bus; or at designated school bus stops.

“Bullying” means the intentional harassment, intimidation, humiliation, ridicule, defamation, or threat or incitement of violence by a student against another student or public school employee by a written, verbal, electronic, or physical act that may address an attribute of the other student, public school employee, or person with whom the other student or public school employee is associated and that causes or creates actual or reasonably foreseeable:

- Physical harm to a public school employee or student or damage to the public school employees or student's property;
- Substantial interference with a student's education or with a public school employee's role in education;
