

# “KNIGHTLY” NEWS

VOLUME 1, ISSUE 6      JANUARY 2012

## WINTER WEATHER

As much as possible, children are encouraged to play outside, even when the weather is colder because this may be the only time all day they have an opportunity to be outside and be active. The general rule of thumb for the school is if the wind chill is above 32° F, the children will be outside. Please dress your children accordingly. It is a good idea to have children dress in layers: a coat or jacket with a hat, scarf, and gloves or mittens; a sweater or sweatshirt; finally, perhaps a long-sleeved shirt under that. Remember, too, that feet should be kept warm, too, with warm socks and shoes made to wear in cold weather.

### REMINDER

The fourth annual King School Knights 5K run is not too many months away. Begin your training now so that you will be ready March 10th to come *Run with the Knights*. We will be asking for volunteers to help with the 5K run. More details coming soon!

### DOLLY PARTON'S IMAGINATION LIBRARY

Any child under five years old can receive a FREE book every month until their fifth birthday. They do not have to be enrolled in school, and your child can be a newborn baby. There is no cost to the family. This is done through a non-profit organization, Dolly Parton's Imagination Library, with the hopes of helping every child build a personal library before they start to school.

Please stop by the King School Office and pick up a form to fill out for your child.

### DATES TO REMEMBER:
