STUDENT NAME:
DEADLINE:

Dear Parents,

According to Arkansas state law students 1st through 12th grade are required to have a variella vaccine. The only exception to this is a history of chicken pox disease. Please provide proof of this immunization, an appointment card stating appointment date and time to get the immunization **or** complete the waiver below if your child has had the chickenpox. You must complete one of the options mentioned above for your child to remain in compliance with Arkansas Immunization laws. This information must be received by the above noted deadline for your child to remain in school.

If you have any questions, please notify your school nurse.

CHICKEN POX WAIVER

I, _____ do hereby verify that my child, _____
