

# STAFF WELLNESS

## Staff Wellness Program

The Van Buren School District staff wellness program was developed to provide district employees a variety of health-enhancing activities and information. The VBSD Health and Wellness Committee strives to offer activities and info. to help reduce stress and improve overall health as well as encourage staff to serve as healthy role models for students. VBSD employees can choose to participate in district wellness events, fitness classes, and educational classes.

A variety of fitness classes will be offered for VBSD faculty. Participants perform at levels to meet their individual needs.

Open for all current VBSD employees!

Please email [dcone@vbsd.us](mailto:dcone@vbsd.us) with any questions.

## Staff Wellness Events

Each semester, events/competitions will be chosen by the Staff Wellness Committee for schools and departments to participate against each other.
