**REMINDER:** If your child has turned 16 or will turn 16 years old on or before September 1, 2018, they are required to have a Meningococcal vaccine to be allowed to remain in school after this date. When your child receives this vaccine, if before May 31st bring the record to Freshman Academy. If after this date it will need to be taken to the Van Buren High School. Thank you for your help in this.
