book fair charges a 10.25% tax rate.

The Scholastic

E-wallet is the easiest way for your child to shop!! No cash on hand for the book fair? No worries — Scholastic Book Fairs is now offering eWallet as a secure, cash-free way that makes it simple for your child to shop the Fair. There is no charge to set up an eWallet. To get started visit:
<https://www.scholastic.com/bf/tatetigers>

When you create an eWallet, the amount you select as your student's spending limit will appear as a temporary hold (or pending charge) on your credit card and will be reflected in your available balance. You will only be charged for what is purchased, and after the book fair ends, the hold will expire and the funds will be released back to your credit card. Additional funds can be added to the eWallet at any time. Track spending and see all activity in your order history through your MyScholastic account. Student eWallets are looked up at the book fair using the student's name, grade, or teacher; eWallets do not have to be printed or presented to a cashier.

You must create an eWallet for each student; accounts cannot be shared or transferred.
