

3.11 -- SELECTION OF INSTRUCTIONAL PERSONNEL

Appointments of instructional personnel shall be made by the Board of Education upon the Superintendent's recommendations. The selection will be based on the following considerations:

1. Certification Requirements
2. Personal Interview by the Superintendent or his designee
3. Experience and Past Performance
4. Health Qualifications

The Board of Education authorizes the Superintendent to assign all teachers, administrators, and other employees to their respective positions upon employment.
