

5.5 -- ADVANCED PLACEMENT CURRICULUM ACT 102 OF 2003

The Van Buren School district supports the existence and continued development of the Advanced Placement program currently in place at Van Buren High School, and seeks to protect the right of every student in the district to engage themselves in a rigorous and challenging curriculum.

Students are encouraged to enroll in appropriate Pre-Advanced Placement courses which provide the necessary preparation for successfully completing AP credit. The Van Buren School District will ensure that minimum requirements for AP curriculum set forth in ACT 102 of 2003 are met. (1 course each in the four core subjects of math, science, social studies and English for a total of 4 courses)
