

1.1 -- DUTIES OF THE BOARD OF EDUCATION

All legal authority for the operation and management of the school program in the Van Buren School District is vested by law in the Board of Education.

1. The Board of Education functions as a policy making, legislative, and appraisal body.
2. Members of the Board of Education exercise authority when in session as a Board and as a committee of the whole.
3. Board of Education minutes constitute legal binding action and policy procedure.
4. Actual administration of the details and responsibility for carrying out policies is delegated by the Board of Education to professionally trained personnel.
