

6.4 -- PARENT/TEACHER INVOLVEMENT AND CONSULTATION

It shall be the policy of the Board of Education to adhere to the Federal and State Regulations and Guidelines for parent and teacher involvement and consultation in programs operated by the District under Chapter I, ECIA and Public Law 89-313 Special Education.

The professional staff is directed to establish and implement such procedures as required and to maintain documentation of these procedures for each pupil served.

Approved by Board of Education 10/14/86
