

4.2.6—Van Buren High School Closed Campus

Van Buren High School is a closed campus. A student is expected to arrive on campus before school begins in the morning and remain on campus until the end of the school day. If it becomes necessary to leave campus during the school day, the student must check out through the office. In order to check out, a parent/guardian must call the office, email, or send a note stating the time and reason the student needs to check out. Students leaving and returning to school without permission will be subject to disciplinary action.

Check out at lunch will be limited to a parent coming to school, physically signing their student out at the time the student is leaving, and physically signing in their student upon return. This includes all students who may be over 17 years of age (you may not check yourself out for lunch).
