

8.38—VACATIONS

240 day contracted employees are credited with 10 days of vacation at the beginning of each fiscal year. This is based on the assumption that a full contract year will be worked. If an employee fails to finish the contract year due to resignation or termination, the employee's final check will be reduced at the rate of .833 days per month, or major portion of a month, for any days used but not earned.

All vacation time must be approved by the superintendent or designee who shall consider the staffing needs of the district in making his/her determination.

No employee shall be entitled to more than 20 days of vacation as of the first day of each fiscal year. The permissible carry forward includes the 10 days credited upon the start of the fiscal year. Employees having accrued vacation totaling more than 20 days as of the date this policy is implemented shall not be eligible to increase the number of days carried forward during their employment with the district. Any days in excess of 20 days will roll into sick leave. The District does not pay employees for unused vacation days.
