Van Buren School District Partners In Education is a program designed to build reciprocal relationships between VBSD schools and businesses interested in understanding and supporting the changing needs of public school students and their teachers. The program emphasizes connecting the classroom to the community. Volunteers who participate with the Partners In Education program acknowledge the confidentiality of student information and agree to model respectful interaction with students and school personnel at all times.

Primary Contact Signature: _____ Date: _____

As the principal of _____, I _____, look forward to the opportunity to work with the identified employees of _____ to build mutual relationships which model the respectful and productive effort we seek to instill in students today.
