Students have access to ebooks through an app called **SORA**. The app can be installed on their Chromebook or any device. Our school code is vbsdar. Once the app is installed, they will log in using the Clever portal or they can use their school Google login. In addition, students can add the Crawford County Library system →  (Van Buren Public Library) to gain access to even more ebook and audiobook content.

SMACtalk

# Social Media Awareness Campaign

## PARENT TIP OF THE MONTH

"Talk about your  
online lives in real  
life." - Diana Graber

Are you curious to  
know your level of  
awareness? Test  
your SMACtalk  
knowledge here:

Technology is transforming how  
and where our students learn. As  
students spend more time learning  
and socializing online, we all need  
to work together to ensure our  
students stay healthy and safe. The  
Social Media Awareness Campaign  
(SMACtalk) was formed in response  
to this need. The purpose of  
SMACtalk is to bring awareness,  
provide resources, and increase  
communication. Each month  
SMACtalk will provide new tips and  
resources for parents, students,  
and teachers.

Check out  
our student  
resources!
