Nurse's Notes

Students need a meningococcal upon turning 16. Please schedule this as soon as possible, if applicable to you. The deadline for getting this immunization is October 1st.

REMINDER

Please keep your student home if they are not feeling well. If they have a fever, they can return once they are fever-free, without medication, after 24 hours.

If they are getting COVID testing, please notify the nurse immediately.

**Your child must stay home until the results have been received
and the nurse is notified.**

Thank you all for being so understanding and supportive at this time.
