- IStation: computer adaptive assessment, for grades K-2
- Ongoing classroom assessments for literacy, writing, and math

In the 2019-2020 school year, events related to COVID-19 caused a substantial disruption to the education system. Because of these events, some items typically included in accountability and reporting are not available.

Parental Involvement

Parent are Important

- You will be given many opportunities to be involved in your child's education
- Parent Right to Know: Highly Qualified Teacher
- Parents as Decision Makers
- Please volunteer to serve on committees and attend PTA meetings so that you may become a part of planning, implementation and review of our student and parent programs
- Please join PTA
